Martial Arts Children's Charity Competition

Dear Head teacher,

My name is Jago Auteri, and I am the founder and instructor for the Nottingham Mantis New Generation Kung Fu club and in conjunction with the MACCC (Martial Arts Children's Charity Competition) which is the fund raising wing of the club we raise money for local charities, over the past five years we have been able to contribute nearly £12,000 to local charities and good causes.

For 2010 we are concentrating our fund raising efforts in helping the Nottingham City Hospital Children's ward.

We would like if possible to hold a family disco at your schools end of term, to help raise funds. We are a completely voluntary organisation, we never take any money for ourselves. all proceeds of our fund raising events go direct to the charity.

any information about the use of your school for this event, its capacity restrictions, access, its availability, who to contact, cost etc would aid us greatly in our planning for this event.

I hope you will be able to help us in our fund raising efforts for this worthy cause.

More details can be found on our website below

Yours Sincerely
